

Ponderings From the Pastor

New Church Year

By Brad Taylor, Pastor

The Nominating Committee has been working hard to enlist nominees for officers, teachers and committee members. This committee will bring before the church a proposed list of nominees to be elected to serve during the 2023-2024 church year. This list will be voted on during a special-called business meeting immediately following the Aug. 13 morning worship service.

Each committee must meet as soon as possible after this business meeting to discuss the task that is assigned to their committee and discuss any events, projects, needs or opportunities. Each committee will elect a chair-

person that will represent the committee on the Church Council (Sept. 10, Dec. 10, March 10 and June 9) and give reports at each business meeting (Sept. 17, Dec. 17, March 17 and June 16).

The members that make up the Church Council are the pastor, other ministerial staff members, directors of church program organizations, chairman of the deacons and chairmen of church committees. The role of the Church Council is to serve the church by planning, coordinating, conducting and evaluating the ministries and programs of the church and its organizations. Matters agreed upon by the

Church Council which call for action, not already approved, shall be referred to the church business meeting for approval or disapproval.

The active participation of those who have been selected to serve is critical for the church to achieve its mission. If a member chooses to not fulfill their elected responsibilities, it is the responsibility of the Nominating Committee to replace them with another person who will do complete the task. Colossians 3:23 says, "Whatever you do, do your work mightily unto the Lord."
